and previous & current college softball athletes.**

About **Project REP:**

Project REP is a nonprofit organization that is hosting a softball skills clinic with neighboring collegiate softball athletes and high school softball coaches. This is a clinic for girls of all ages and skill level to raise money for group community programs for teens and adolescents to teach them how to **R**espect, **E**mbolden and **P**rotect themselves against our world today. You can learn more by going to facebook.com/ProjectREP, ProjectREP.org or email kimdansie@projectrep.org

Please call Dani Gough at 801-664-7728 with any questions about the clinic or Project REP.
